SHOOTING UNJUSTIFIABLE.

So Declares the Majority of the Lathrop Coroner's Jury.

Hazleton, Pa., Sept. 25.—The coroner's jury which investigated the death of the striking miners at Lathrop met in Deputy Coroner Bowman's office last evening, and after an hour's deliberation rendered the following verdict:

"That from the circumstances of the case and the evidence offered the said Clement Placock, with others, who were shot and killed by the miners on Sept. 10, 1897, at the hands of Sheriff James Martin and his deputies, and in this we the jury do all agree. And we, Philip J. Boyle, Thomas T. Thomas, Barton Freas and Peter McKiernan, of this jury, do further say that the said Clement Placock, with others, was marching peacefully and unarmed on the public highway, that they were intercepted by the said Sheriff Martin and his deputies and mercilessly shot to death, and we do further find that the killing was unnecessary and could have been avoided without serious injury to either party or property, and we find finally that the killing was wanton and unjustifiable."

Soldiers Leaving the Strike Region. Hazleton, Pa., Sept. 25.—The miners of Hazleton and vicinity will take action on the report of the arbitrating committee today, and the general opinion is that the report will be satisfactory. The Fourth regiment was withdrawn today, and the Eighth and the City Troop, of Philadelphia, will go home tomorrow. It is probable that the Ninth and the Governor's Troop will break camp on Thursday, and unless something unforeseen occurs in the meantime the entire staff will leave at the same time. No regiment will remain here, the commanding officers being confident that no trouble is to be feared.

All parts of the Region Will Be Represented at the Mustering of One Hundred New Recruits—National and State Officers Will Attend.

The members of the Sons of Veterans of town are preparing for a grand reception of recruits and celebration of the event to-morrow night. It promises to be the greatest rally they have had here in many years and visiting units will be attracted from all parts of the region. About six weeks ago Henry Horneback Camp No. 49, Sons of Veterans, which is the title of the local organization, commenced a movement to boom its membership and it proved successful. The names of 100 recruits have been added to the membership roll, which will give the camp a total enrollment of 150. It is to celebrate the success in this direction that the program for to-morrow has been arranged.

To-night the camp will hold a meeting at its regular quarters in Beddall's hall for the purpose of settling business and then adjourn until to-morrow evening, at 6:30 o'clock, to prepare for the parade, which will take place at 7 o'clock, after which there will be a muster in Beddall's hall.

EXAGGERATED REPORT.

Correspondents To City Papers Cause Alarm Through the Region.

The newspapers of Philadelphia and New York to-day contained a lengthy and double-headed front page special from their correspondents at Ashland and Girardville giving thrilling accounts of a riot and murder at the latter place, alleged to be due to factional feeling over the labor situation at Hazleton. The special stated that the riot took place Sunday night. The truth of the matter is that on Saturday night about thirty Poles and Hungarians indulged in a free fight at two saloons in Girardville and several of them were out and beaten, but no one was killed, nor is it probable that any of the victims will die. It was a fight similar to that which was reported from Girardville about two months ago, when a saloon was wrecked. The disturbance Saturday night arose through factional issues among the men that had no relation to the Hazleton situation. A message from Girardville this afternoon stated that twelve of the rioters were arrested last night and put under bail by a Justice at Girardville for trial on charges of assault and battery with intent to kill. Nobody was shot in the affair. All the shooting indulged in took place outside the saloons and was harmless.

THE BOSTON ROOTERS HAPPY.

Her Ball Tossers Win the Final Game From Baltimore.

WILL PROBABLY BE CHAMPIONS.

A Monster Crush to Witness the Concluding Game of the Series Between the Leaders of the National League.

Boston Knocks Out Three Pitchers.

Baltimore, Sept. 25.—Outside of a titanic contingent of faithful Boston "rooters" who are making merry at the Eutaw House, there is no joy in Baltimore. Boston has taken the rubber in the crucial series, is ahead in the fight for the pennant, and there seems to be but little probability that the champions can save it. Hoffer, the "wildcat" Nipper, the "southpaw" and "Brother Joe" Corbett all went down like ripe grain in a hurricane before the terrific onslaught of Boston's batters, until what seemed at first to be a victory for the home team was finally turned into a rout, the like of which has been seldom witnessed in any ball field. More than 25,000 people were present, and they witnessed the downfall of their favorites with perfect good humor, gathering about the victors and cheering them heartily at the finish. There have been few, if any, crowds as large in the history of the game, and some could have departed as early as yesterday.

There was an awful struggle at the gates for tickets, then the straining, pushing and fighting for admission. Then the scramble for a place from which to watch the "game" began, until every seat had an occupant, every corner of standing room was pre-empted, and men and boys clung, spiderlike, to fences, flagpoles, telegraph poles or any other point of vantage. The Boston "rooters" with their brass band, formed all a part of the vast throng, and they sang into comparative insignificance, but the band played on, and the "rooters" rooted and shouted just the same. Finally the teams came on for practice, and then in due time play began, and the multitudinous throng itself began to watch the battle of the Titans. First Boston made a run, but Baltimore made two, then each made three, and the score was tied, when Boston added another to its string. Thus far all was well. Baltimore, 'tis true, had lost the lead, but not hopelessly. Then the visitors forged to the front with three more runs, and this was bad indeed, but hope still lived in Baltimore.

And so it ran until that dreadful seventh inning. Corbett had been crippled by a hot liner early in the play, Nipper had been batted out of the box by a little later, and Hoffer had pitched for four runs, but still the crowd hoped on. No one looked for a change, as Hoffer had apparently steadied himself, and no runs had been made off him in two successive innings. All at once it came. Single followed double, double rolled down to watch the ball, and the Titans.
